PROCEDURE OF THE HOLDERNESS TOWN MEETING — MARCH 9, 1971

At a legal meeting of the inhabitants of the Town of Holderness, qualified to vote in town affairs, and held in the Town House of said Holderness, March 9, 1971 at ten o'clock in the forenoon, the following business was transacted.

The Ballot Clerks being in position, the meeting was called to order by the Moderator at ten o'clock in the forenoon. The complete warrant was read by the moderator and the polls were declared open for Article 1 until 6:00 P. M.

The results of Article 1 as follows:

Total ballots cast — 336

Names on Checklist — 685

Town Clerk — Corinne M. Cripps

Town Treasurer — Richard L. Gordon

Selectman for three years — Malcolm Taylor, Sr.

Tax Collector — Bernice E. Shields

Library Trustee for three years — Barbara Currier

Overseer of Town Welfare — Laura M. Heath

Superintendent of Cemeteries — Walter L. Greenleaf

Trustee of Trust Funds — C. James Ayer

Fire Wards — Lawrence P. Welch, Lloyd O. Perkins, Clifton Hawkins

Constable — George A. Plant

The Polls were closed at 6:00 P. M.

Barbara Currier announced that she is already serving an unexpired term as a Library Trustee. Kathryn Beij and Evangeline Dana were next in line with four votes each. Kathryn Beij withdrew and Evangeline Dana is Library Trustee.

The business meeting was called to order at 7:30 P. M. by Moderator Carlton L. Elsner, who read the results of Article 1.

Article 2 - Motion made and seconded to accept all reports of Town Committees as printed in the Town Report. Vote in affirmative.

Article 3 - Motion made and seconded to raise and appropriate the sum of \$255.00 for Memorial Day to be used under the auspices of Arthur W. Forbes. Vote in affirmative.

Article 4 - Motion made and seconded to raise and appropriate the sum of \$500.00 for the Sceva Speare Memorial Hospital. Vote in affirmative.

Article 5 - Motion made and seconded to raise and appropriate the sum of \$200 for the Town Health Fund. Vote in affirmative.

Article 6 - Motion made and seconded to raise and appropriate the sum of \$482.00 for the Pemi-Baker Home Health Agency. Vote in affirmative.

Article 7 - Voted to kill article 7 and raise no monies for the Lakes Region Mental Health Clinic.

Article 8 - Motion made and seconded to amend article 8 to increase amount raised and appropriated as compensation to Ethel Piper for services rendered by 10% to make amount raised and appropriated \$401.50. Vote in affirmative.

Article 9. - Motion made and seconded to raise and appropriate the sum of \$100.00 for use by the Town Conservation Commission. Vote in affirmative.

Article 10 - Motion made and seconded to discuss the Budget on item basis. Vote in affirmative with the following changes:

Moved and seconded to deduct the \$600.00 for Election and Registration expenses as the checklists do not need to be revised until 1974. Vote in affirmative.

Moved and seconded to increase the \$7600.00 for Police Department to \$13,900.00. Vote in affirmative.

Moved and seconded to increase the \$6800.00 for Fire Department to include \$1700.00 for Mutual Aid. Vote in affirmative to raise and appropriate \$8500.00 for Fire Dept.

It was voted to remove the \$100.00 from the Budget for Moth extermination and care of trees.

Moved and seconded to remove the \$400.00 from the Budget for Planning and Zoning. Vote in affirmative.

Selectmen explained the budget to include seven ambulance trips at \$45.00 each under Health Dept. \$315 for ambulance, \$200.00 for Town Health \$492.00 Pemi-Baker Home Health and \$500.00 for Sceva Speare Memorial Hospital making total of \$1497.00 for Health. Accepted by voters.

Moved and seconded to raise the General expenses of Highway Dept. \$1000.00 to help on repairs to the town grader. Making amount \$5800.00 Vote in affirmative.

Ethel Piper fund increased from \$365.00 to 401.50 as in Art. 8.

Voted to accept remainder of Budget as printed.

Total expenditures as amended — \$95,474.47.

Article 11 - Moved and seconded to amend Art. 11 to read - "To see if the Town will vote to authorize the Selectmen to make application for and accept any and all Grants or offers for municipal planning purposes which may now or thereafter be forthcoming from the State of New Hampshire and/or the United States PROVIDING NO MATCHING FUNDS BE REQUIRED BY THE TOWN." Vote in affirmative.

Article 12 - Moved and seconded to authorize the Selectmen to convey any real estate obtained by Tax Collector's deed and execute any deed or deeds thereof in the name of the town. Vote in affirmative.

Article 13 - Moved and seconded to authorize the Selectmen to borrow in anticipation of taxes. Vote in affirmative.

Article 14 - Moved and seconded to table Art. 14 until March 1972 meeting regarding Municipal sign and billboard ordinance. Vote in affirmative.

Article 15 - Motion made and seconded to amend Art. 15 as follows: "To see if the Town will vote to provide that no person, shall, at the same time, hold the office of Selectman and head of any Police Department, member of any Police Department, or head of the Fire Department." Vote in the affirmative.

Article 16 - Ambulance service taken care of in Art. of Budget (\$315.00)

Article 17 - Other business -

Moved and seconded that the Town give a vote of thanks to Edward L. Noyes, Jr. for his three years as Selectman. This was given unanimously.

Motion made and seconded to adjourn at 12:20 A. M. Vote in affirmative.

A TRUE RECORD: ATTEST

Corinne M. Cripps
Holderness Town Clerk

HOLDERNESS TOWN WARRANT — 1972

TO THE INHABITANTS OF THE TOWN OF HOLDERNESS IN THE COUNTY OF GRAFTON AND STATE OF NEW HAMPSHIRE, QUALIFIED TO VOTE IN TOWN AFFAIRS:

You are hereby notified to meet at the Town House in said Holderness on Tuesday, the seventh day of March next, at ten o'clock in the forenoon, at which time the polls shall be opened and shall close not earlier than six o'clock in the afternoon, to act upon the following subjects, the third and subsequent articles to be acted upon commencing at seven-thirty o'clock in the afternoon of said day:

Article 1. To choose all necessary town officers.

Article 2. To take the sense of the qualified voters whether the amendments of the Constitution proposed by the 1971 session of the General Court shall be approved.

Article 3. To accept the reports of all town officers.

Article 4. To see if the town will vote to raise and appropriate the sum of \$401.50 as compensation to Ethel Piper for services rendered.

Article 5. To see if the town will vote to raise and appropriate the sum of \$200.00 for participation in the Lakes Region Association, the money to be spent for the purpose of publicizing and promoting the natural advantages of the town, in cooperation with other towns in the Lakes Region.

Article 6. To see if the town will vote to raise and appropriate the sum of \$200.00 for support of the New Hampshire Humane Society.

Article 7. To see if the town will vote to approve the sum of \$500.00 as compensation for a health officer to be matched by a like sum to be contributed by Squam Lakes Association.

Article 8. To see if the town will vote to raise and appropriate the sum of \$500.00 for the Sceva Speare Hospital.

Article 9. To see if the town will vote to raise and appropriate the sum of \$485.00 for the Pemi-Baker Health Agency.

Article 10. To see if the town will vote to abolish the Zoning Commission and Planning Board and repeal any and all regulations and ordinances promulgated by said Commission and Board whether or not the same have been approved by the town. (Inserted by petition.)

Article 11. To see if the town will vote to raise and appropriate the sum of \$150.00 for the Planning Board.

Article 12. To see if the town will vote to authorize the Planning Board:

- a. To apply to the office of State Planning for Holderness to be transferred from the Pemigewasset Region to the Lakes Region as authorized by RSA 36:45 and in the event of affirmative action, Holderness shall thereupon become a member of the Lakes Region Regional Planning Commission under RSA 36:46 II.
- b. To expend in its discretion the unexpended balance of the \$5,000.00 appropriated in 1969 and 1970 as the Town's share under the Federal 701 Program (since discontinued) for a comprehensive master plan for the town, said funds

not to be expended for routine operating expenses but may be expended to defray the Town's share of participation in the Lakes Region Regional Planning Commission and for other expenses incurred by the Planning Board in the performance of its official duties.

Article 13. To see if the town will vote to raise and appropriate the sum of \$250.00 to be matched by the Ford Foundation and/or any private or public source for the purpose of supporting investigation into solid waste disposal problems, and to authorize the acceptance and expenditure of these funds by the Conservation Commission.

Article 14. To see if the town will vote to adopt as its official emblem the artist's replica appearing on the cover of the 1971 Annual Report.

Article 15. To see if the town will vote to establish a Regional Refuse Disposal Planning Committee in accordance with RSA 53-B:1, said Committee to consist of three members to be appointed by the moderator not more than thirty days following the annual meeting.

Article 16. To see if the town will vote to approve a change in location from the Town House to the Holderness Central School for all future elections and town meetings.

Article 17. To see if the town will vote to authorize the Selectmen to accept for use as a town road a warranty deed to the town of that portion of Hob Nob Lane, so-called, 40 feet in width, as shown on a plan entitled "Heritage Hill, Town of Holderness, New Hampshire, D. Miller, Surveyor, May 1965" filed in Grafton County Registry of Deeds, Book 1021, Page 71, that has been improved for vehicular traffic, commencing at the Heritage Hill Road, so-called, and extending therefrom in an easterly direction 1,000 feet, more or less, to the power line right of way. (Inserted by petition.)

Article 18. To see if the town will vote to authorize the Selectmen to borrow in anticipation of taxes.

Article 19. To see if the town will vote to authorize the Selectmen to convey any real estate obtained by Tax Collector's Deed and execute any deed or deeds thereof in the name of the town.

Article 20. To see if the town will vote to make any alterations in the amount of money required to be raised and appropriated for the ensuing year for the support of the town, as recommended by the Budget Committee in its report, to raise and appropriate all sums so determined, and to pass any other vote relating thereto.

Article 21. To transact any other business that may legally come before the meeting.

Given under our hands this 14th day of February, in the year of our Lord Nineteen hundred and seventy-two.

HOLDERNESS LIBRARIAN'S REPORT — 1971

Circulation — 7,960

Books added 78 - book gifts 100

The Library is open on Friday evenings from 6-8 P. M. and 2-8 P. M. on Saturdays throughout the year. During July and August we are open on Wednesdays from 2-8 P. M.

You are cordially invited to use the library's book collection and services which are a tax-supported educational function of the town of Holderness. The privileges which the library offers are accompanied by certain responsibilities in order that public property may be safeguarded and that all persons may have an equal opportunity in sharing the library's resources. All persons who live, work, attend school in the area or pay taxes in Holderness may borrow books, magazines or records without charge. Any reasonable number of books may be borrowed at a time. Most books are lent for two weeks, and may be renewed upon request. Borrowers are responsible for books taken on their cards, therefore books should not be lent to others. A fine of two cents a day including Sundays and holidays is charged for books kept overdue.

We have appreciated the past and cannot stand still but must plan for the future. We need to improve our standards and expand our resources and services to meet today's needs in the community we serve.

OVERSEER OF WELFARE — 1971

The Ashland Overseer of Welfare handles our government commodities. Eight families receive the service.

We have six receiving Old Age Assistance or Total Disabled benefits which the town pays 25% of total aid.

We have had five cases direct town aid.

Laura Heath
Overseer of Welfare

FOURTH ANNUAL REPORT OF THE HOLDERNESS CONSERVATION COMMISSION

The year started out cold. On January 7 members of the commission, in -16° temperatures and gusty winds, met at the intervale site of Sun Oil Company's new service station. Purpose of the meeting was to discuss certain requests of the commission aimed at protecting the scenic character of the Pemigewasset Valley. Local concern centered around height of the proposed high-rise sign and its illumination, architectural style of the station itself and the disposal of petroleum wastes.

A February 18 letter to the commission from Sun Oil's Regional Land Manager stated, "... it is a pleasure to inform you that the management ... has agreed to accede to the several requests of your commission." The company has lived up to all of these proving that small victories are possible in the fight to keep "Scenic New Hampshire" scenic!

Subsequently a billboard and sign control ordinance prepared by the commission was submitted to the voters at town meeting. It was tabled following three public hearings.

The Selectmen, in early April, asked the commission to resume its preliminary dump study paying particular attention to the approaching "no burning" ban of July 1, 1975. A White Oak Pond water pollution report showing high bacteria counts was added to the list of reasons for relocating the town dump. A count of 7300 E-coli bacteria was measured in the pond (50 is maximum legal limit for Class A waters!) The dump is suspected as the cause.

The commission also became concerned when it was learned that few people were aware of East-West Highway plans. Thus the commission's regular May 10 meeting was advertised widely and opened to the public when it was known that E-W Highway Administrator Charles Crevo would be attending. Over sixty people were there. Of greatest interest was the "Corridor B-6" alternative bringing the economic development highway along Route 113 and through Holderness Village. On May 12 the commissioners took an official stand opposing the planned highway based upon the imminent ecological damage that would result from increased volumes of traffic alongside Squam Lake. Presently the highway issue is dead (announced January 25) but the commission is ever mindful that all ecological "victories" are but temporary and that all defeats are permanent.

Early in June the commission was contacted by the New England Natural and Scenic Areas inventory coordinator. He was asking if there were any unique areas in Holderness worthy of future protection. The commissioners recommended Livermore Falls Gorge (also in Campton and Plymouth) as a possible site.

Later that same month the commission was happy to send its third student to conservation camp at Spruce Pond in Allenstown. Lynn Currier represented Holderness in 1971 and was financed through a grant to the town from the Pemigewasset Valley Fish and Game Club.

An application to the N. H. Charitable Fund for \$240 to help with swimming instruction at the town beach was turned down because Holderness had no recreation plan.

On July 1 the Chamber of Commerce asked the commissioners to assume supervision of the Central School's recycling project. Under Al Bushnell this ecological effort was expanded to include weekly glass-crushing sessions, general work details and periodic hauls to Canada Dry Co. in Concord. By year's end Holderness had recycled well over 15,000 pounds of glass (leading town in Central N. H.) and unmeasured amount of steel and aluminum cans. The \$247.50 paid to the commission has been placed in the Town Conservation Trust Fund.

Now a shelter has been constructed at the dump with the help of many volunteers. It makes recycling during winter months much more practical. The commissioners are indebted to the many residents and summerfolk who have helped and especially the individuals who provided the trucks necessary for numerous trips to Concord.

The last meeting of 1971 was held December 16. Looking ahead to 1972, and beyond, the Conservation Commission makes the following recommendations:

- Private sewage system monitoring for pollution
- A regional, multi-town dump
- Protection of marshes in town
- Removal of scenic liabilities such as junk cars, poorly placed billboards and other eyesores
- Publication of inventory of all town-owned land and roads

Respectfully submitted,
Richard L. Currier
Malcolm Taylor, Chairman
Almon Bushnell, Treasurer
James Cripps
George S. Richards
Hollis Willoughby

ALMON W. BUSHNELL

Treasurer

The Holderness Planning Board has experienced a very busy, and we feel a very fruitful year. Regular meetings were held monthly, and often twice a month during the Spring, Summer & Fall months. The State Statutes (36-23) now requires that a public hearing be held on subdivisions before approval of the board is given, and certified notices must be sent to all abutters. In many instances where the subdivisions were small, hearings on several subdivisions were scheduled for the same evening, previous to or in conjunction with a regular Planning Board meeting. For large and "complicated" subdivisions, as in the case of Lake Forest on the shore of Little Squam Lake, an entire evening was given over to the hearing. In between meetings, individual Board members have visited some of the areas where the subdivisions were taking place, in order to increase their "on the spot" knowledge of the location and nature of the land being subdivided.

During the late Spring and Summer, several times a week, and on occasion several times daily, the Planning Board Chairman was visited by individuals who were planning subdivisions, and who wanted to show and to discuss their development plans, and to learn what the state and local regulations requirements were. With but very rare exceptions the subdividers were desirous of cooperating with the state and local requirements, realizing that their subdivision would benefit through planned development.

Notices of Planning Board meetings throughout the year were sent to the Selectmen, and on several occasions all three Selectmen were present and participated in the discussions.

On July 14, August 19 and September 16 members of the Holderness Planning Board (and one occasion included several Holderness Town Officials) met with the Plymouth Planning Board for discussion of a possible "future extension" of the Plymouth Shopping Center across the river into the Holderness Intervale section. The Federal Government, in certain instances, has aided, and lets it be known that funds might be available, for so-called "New Town developments", which might be an entire "new community" or a new well planned extension of an existing one.

Mr. George Johnson, an experienced planning engineer, at one meeting showed slides of such "New Town Developments" and painted an interesting word picture of what the Holderness Intervale, and Plymouth river front area might be like, attractively landscaped with foot bridges across the Pemigewasset, making easy access to and from the present Plymouth shopping area, with a "new shopping development" on the Holderness Intervale. The idea is doubtless worthy of consideration, requiring imagination and funds or grants to "put on paper" diagrams and sketches to enhance a visualization of such a proposal that might later interest future investors. But if one needs a loaf of bread, a pair of shoes or a wig right now, it might be wise not to wait for the Holderness-Plymouth "New Town" Shopping Plaza!

From time to time the State Legislature passes new regulations and makes changes in others, and the Planning Board endeavors to keep aware of these legislative changes and to pass the information on to subdividers. One of the most important of these changes was the elimination of the "shore-line clause" (measure 149 E) wherein any and all land subdivisions, where any building or sewage system was contemplated, must be approved by the State Water Supply

and Pollution Control Commission. Formerly only land within 1000 feet of any stream or body of water needed this approval by the WSPCC.

At the March 11th Planning Board meeting, Mr. Michael Blake, Assistant State Planning Director, was the guest speaker. Mr. Blake discussed some of the measures that the Holderness Planning Board could do as part of a continuing procedure of formulating a Comprehensive Plan for the town, now that Federal Grant 701 was no longer available.

High on the Federal Government's list had been "up-dating the town road maps" and "conducting a housing and population survey and report," the latter to be entitled . . . "Initial Housing Element Report for the Town of Holderness."

Mr. William Malcolm, of the Environmental Consulting Group, Inc. of Hanover was chosen by the State Planning Office to carry through this procedure for Holderness, and twelve other communities in various parts of the state. Material was derived from information received through Mr. Malcolm's meeting with the Planning Board, data contained in the Planning Board's reconnaissance Report, (which was printed in several installments in the Plymouth Record), the 1970 census housing report, and other technical reports and studies from the State Planning Office library. Copies of this "Initial Housing Element Report for the Town of Holderness" and a "Summary" involving all thirteen towns in the project have been placed in the library at the Holderness Central School, and the Holderness Public Library.

The Town Road Map has been updated with all "accepted town roads" being given names, verified as current, by several long time citizen informants. Now for a "Santa Claus" to install sign-posts bearing the street names. One such map has been given to the Holderness Central School for use in arranging their school bus transportation routes. A similar map was also given to the Fire Department. The Holderness Fire Department has used aerial maps collected, and possessed by the Planning Board, in making maps of the town on which are listed all roads, including public, private and even some old logging roads, for the increased efficiency of locating and fighting fires.

It might be interesting to learn that the Planning Board has studied and approved twenty different subdivisions in various sections of the Town. Many of these are small subdivisions of two or three lots, while others cover three or four times that number. The Lake Forest Subdivision (formerly Squamasee property) with whom the Planning Board has been working for many months, consists of some 66 lots, and is laid out for a possible 100 dwellings (some of cluster type). Many changes suggested by the Planning Board have been incorporated from time to time in the original Lake Forest plans, and the subdivision is about ready for Planning Board approval.

The Chairman of the Holderness Planning Board was privileged to attend a Planning Seminar (at his own expense) sponsored by the State Office of Planning, which involved four hours weekly for six weeks. Eighteen Planning Board members participated, mostly coming from towns to the south of us. The seminar was very interesting and informative, and the problems encountered in some communities by unscrupulous "quick money developers", as related by some of the Planning Board members, indicates the great need for Town Planning Board, and state and local regulating measures, to watch over, report and attempt to guide growth and development throughout the state. Poor or no planning, in many instances reported, has meant the large expenditures of the townspeople's tax dollars to rectify the mistakes later, after the developer has "moved on."

Two members of the Holderness Planning Board, Mrs. Ayer and Dr. Staples attended the all-day and evening conference on "Sewage and Solid Waste Disposal for Small Towns" sponsored by the White Mountain Region Association, held at Waterville Valley on January 12th. Perhaps the main theme of the Conference was that sewage and solid waste disposal were costly problems that confront all communities, and the most economical way out, especially as regards solid waste, is for two or more towns to get together for either a "land fill" project or better still an incinerator. In this connection (of towns working together) we note that both the state and the Federal Government have come to feel that Regional Planning, towns working together on projects that concern more than one, or a group of towns, is wise and more economical, (of taxpayers dollars) and future State & Federal funds will be given only on a regional basis.

This brings up the question of the advisability of Holderness joining the Lakes Region Planning Commission, which has a central office in Meredith. This Commission is composed of practically all of the towns bordering on the several lakes in our area, with the exception of the towns of Ashland & Holderness. A very important objective of the Commission is to provide member communities with regional planning and programming. Projects that are of local concern, but which also extend beyond the boundaries of a particular town, such as sewage & solid waste disposal, are thus eligible for Federal Grants. This matter of Holderness joining the Lakes Region Commission should be fully explored. A change from the Pemigewasset Valley Region to the Lakes Region would require a vote of the townspeople requesting the change from the state. Ashland is interested in making this change.

The Holderness Planning Board has been able to carry on financially this past year (without a Town appropriation) through small gifts from several interested citizens, and for this we are grateful. The Holderness Planning Board looks forward to another busy and fruitful year, giving graciously of its time, and effort in the interest of a better place to live, aiding in the protection and conservation of the town's natural resources, while planning for change and growth in an orderly, beneficial manner. Holderness is our town, it's your town too, Mr. and Mrs. Citizen, let's work together.

Planning Board Members are:

Jon Bourne

Milton Huckins

Francis Ayer, Secretary

Donald Hagerman

Ernest Chamberlain, Co-Chairman & Treasurer

Lawrence M. Staples, Co-Chairman

Norman Smith, Jr., Selectman Representative

**R E P O R T
OF AN EXAMINATION AND AUDIT
OF THE ACCOUNTS
OF THE
TOWN OF HOLDERNESS
FOR THE FISCAL YEAR ENDED DECEMBER 31, 1971**

**MADE BY
THE DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
SUMMARY OF FINDINGS AND RECOMMENDATIONS**

February 14, 1972

Board of Selectmen
Holderness, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Holderness for the fiscal year ended December 31, 1971, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of these audit reports must be given to the Town Clerk to be retained as part of the permanent records.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Free Library, Fire Department, Park Board, Planning Board, Cemetery Fund, Conservation Commission and Trustees of Trust Funds.

FINANCIAL STATEMENTS

**Comparative Balance Sheets — December 31, 1970 and December 31, 1971:
(Exhibit A-1)**

Comparative Balance Sheets, as of December 31, 1970 and December 31, 1971 are presented in Exhibit A-1. As indicated therein, the Current Surplus decreased by \$12,352.08, from \$19,444.54 (Revised) to \$7,092.46 during 1971.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decreases in Surplus:

| | |
|--------------------------------|-------------|
| Net Budget Deficit | \$ 6,935.72 |
| Surplus Used to Reduce Taxes | 5,000.00 |
| Accounts Receivable Adjustment | 424.31 |

\$12,360.03

Increase in Surplus:

| | |
|--------------------------------------|------|
| Tax Collector's Excess Credits (Net) | 7.95 |
|--------------------------------------|------|

Net Decrease in Current Surplus

\$12,352.08

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1971, are presented in Exhibits A-3 and A-4. As indicated by the Budget Summary (Exhibit A-4), a net overdraft of appropriations of \$14,197.23 less a revenue surplus of \$7,261.51 resulted in a net budget deficit of \$6,935.72.

TREASURER

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1971, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1971, is indicated in Exhibit B-2.

AUDIT PROCEDURE

The accounts and records of all Town officials charged with the custody, receipt and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Tax Collector's records. The amount of uncollected and unredeemed taxes as stated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Overdraft of Appropriations and Application of Municipal Budget Law:

During 1971, there was a net overdraft of appropriations of \$14,197.23 (Exhibit A-4). Included in this amount, however, was an overdraft of \$6,467.07 in the "Overlay" account. Inasmuch as the amount of overlay raised each year is determined by the Board of Selectmen, rather than appropriated by the Town Meeting, expenditures for this purpose are not subject to the provisions of the Municipal Budget Law, which the Town has adopted. Consequently, the net overdraft of Town appropriations during the fiscal year was \$7,760.16 (\$14,197.23 less \$6,467.07).

The Selectmen obtained written approval of the Budget Committee to exceed appropriations by an aggregate amount of \$5,401.11. In such situations, however, in addition to such approval, the law requires that the Selectmen shall make application to the Tax Commission for a certificate authorizing the expenditures in excess of budgetary appropriations. The records indicate that this latter requirement was not complied with. Thus, it must be stated that the excess expenditures (\$7,760.16) incurred during the fiscal year were made without proper authority.

Bond Anticipation Notes Payable - \$10,000.00 (Exhibit A-1)

This amount represents outstanding indebtedness incurred under the provisions of R. S. A. 33:7a, which statute provides authority to make temporary loans in anticipation of the money to be derived from the sale of long term notes or bonds. The above notes will be paid in 1972 from the proceeds of the sale of long term notes of \$35,000.00, which were authorized by a vote of the Town in 1970 for the acquisition of a new fire truck.

Planning Board:

In addition to recording bank deposits and checks drawn during the year on check book stubs, the Treasurer of the Planning Board is required to maintain multiple-column type cash books wherein each item of receipts and expense must be entered. The use of these journals provides for the adequate distribution of cash transactions under appropriate revenue and expenditure classifications.

As indicated in Exhibit H, unexpended funds of \$4,995.82 were in the custody of the Planning Board Treasurer as of December 31, 1971. These funds represent unexpended appropriations voted in prior years, as well as receipts derived from the sale of materials and reports and interest on invested funds. Inasmuch as appropriations for the Planning Board are made for the payment of operating and maintenance expenses, the law requires that unexpended balances for the department be closed to surplus. Therefore, the amount mentioned previously should be returned to the Town during the fiscal year 1972.

Furthermore, the law (R. S. A. 41:29) stipulates that the Town Treasurer shall have custody of all monies belonging to the Town, and shall pay out the same only upon orders of the Selectmen. There is no provision in the State statutes which gives authority to the Planning Board to expend money from a departmental checking account. As is the case with other Town departments and agencies, revenues realized by the Planning Board should be remitted to the Town Treasurer, and all expenses should be paid by Town check.

Treasurer:

The Treasurer should reconcile his records with the bank statement on a monthly basis.

Board of Selectmen:

The Selectmen's cash payment records showing expenditures under various classifications should be balanced and proven monthly. Failure to do so, results in increased expenses incident to the annual examination of the Town accounts due to additional clerical work which must be done by the auditors.

Conclusion:

The provisions of Chapter 71, Section 27-a, of the Revised Statutes Annotated, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits contained in the audit report is optional, at the discretion of the Board of Selectmen.

We extend our thanks to the officials of the Town of Holderness for their assistance during the course of the audit.

Yours very truly,

Frederick E. LaPlante, Director

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

TOWN OF HOLDERNESS

TOWN OF HOLDERNESS

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Town of Holderness for the fiscal year ended December 31, 1971.

Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the Exhibits included herewith present fairly the financial condition of the Town of Holderness as of December 31, 1971, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

Frederick E. Laplante, Director

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

MINUTES OF ANNUAL MEETING MARCH 6, 1971

Mr. Laurence Roberts, who had been appointed assistant moderator by the moderator, Carlton Elsner, was sworn in by the clerk, Mrs. Gertrude Elsner, at 7:15 p. m. on March 6, 1971. Mr. Roberts called the meeting to order at 7:30 p. m., and offered a prayer. He then reminded the meeting that election of officers would take place on March 9 at the Town Hall. He requested a motion regarding the reading of the warrant. Mr. Currier moved and Mr. Carvelli seconded the motion that the warrant be taken up article by article.

Mr. Malcolm Taylor moved and Mr. Frederick Brown seconded Article 1 as follows:

I move we accept the salaries of the School Board, Truant Officer, and approve the compensation of all other officers and agents of the School District as proposed by the School Board in the 1971-72 Proposed School District Budget.

Mr. Fitzpatrick requested the amount of salaries involved. Mr. Brown listed \$300. for Chairman of the School Board, \$250. for the members of the School Board, and \$15. for the Truant Officer. There being no further question Mr. Roberts asked for a voice vote. It was in the affirmative without opposition.

Mr. Carvelli moved and Mrs. Carvelli seconded Article II as follows:

I move the District accept the reports of the Audit of the General Fund, Treasurer, School Lunch Program that was made by the Division of Municipal Accounting of the State Tax Commission and the reports of the Agents of the District as printed in the Annual Report.

There was no discussion. The voice vote, requested by the moderator, was in the affirmative without opposition.

Mr. Roberts requested a motion on Article III. Mr. Brown stated that Article III was a standard article put in some warrants. It had no use this year in the Holderness School District since there were no committees to appoint for which approval of the townspeople was needed. He therefore made a motion the Article be passed over. Mr. Carvelli seconded the motion. There was no discussion. The voice vote was in the affirmative without opposition.

Mr. Brown moved and Mr. Barlow seconded Article IV as follows:

I move the District vote to raise and appropriate the sum of \$296,623.21 for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the District and to authorize an application against said appropriation of such

sums as are estimated to be received from the State together with other income; the School Board to certify to the Selectmen the balance between the revenue and the appropriation, which balance is to be raised by taxes by the Town.

Mr. Brown suggested the budget be taken up item by item since the School Board had revised their budget three times at the request of the Budget Committee. Discussion followed concerning relative cost of student attendance at Interlakes and Plymouth, of bussing between East Holderness and Plymouth, and why same areas are not covered by bussing. Mr. Roberts asked for further argument. Since there was none he requested a voice vote regarding Article IV in its entirety. The vote was in the negative. Mr. Willoughby moved and Mr. Fitzpatrick seconded the motion that the budget be taken up item by item. Mr. Brown then started to read the items of the budget. Considerable discussion ensued regarding a full-time versus a teaching principal and regarding also the reasons for the variance between the School Board's and the Budget Committee's recommendations. The preponderance of tax payment by summer residents was brought out. The School Board pointed out that to keep superior teachers it was necessary to pay the going rate for salaries. Pay schedules for comparable towns were quoted. When this phase of the discussion ended Mrs. Ayer suggested the rest of the budget be dispensed with on an item basis since the controversy centered around salaries. Mr. Roberts asked for a consensus of opinion rather than a motion. The feeling of the meeting was voiced by Mr. Wherland who suggested that every school budget item differing from the Budget Committee's recommendation be discussed. Mr. Brown therefore discussed these items one by one. Further argument followed regarding the snow plowing of the school area resulting in the conclusion that snow plowing will be effected and paid for by the town. The moderator suggested a seven minute recess.

When the meeting reconvened Mr. Brown continued the line item discussion. Mr. Tyrell, shop instructor, was given permission to speak, and explained the additional equipment needed for shop courses. Mr. Bowie, Superintendent of Schools was given permission to speak when the increased tuition cost was discussed. He pointed out that with the completion of the new building the principal and interest had to be paid.

Mrs. Roberts moved and Mrs. Biddle seconded the motion that the meeting vote to accept the School Board's budget. Mr. Gordon asked if the school could run if the Budget Committee's recommendations were accepted. Mr. Brown answered yes. Mr. Roberts stated the discussion was out of order although allowed. It was necessary now to vote on whether the meeting should vote on the original motion made by Mr. Brown. The voice vote was in the negative and further discussion ensued.

Mr. Noyes moved to amend the original motion on Article IV by accepting the School Board's recommendations with the exception of teachers salaries, and to accept the Budget Committee's recommendation for teachers salaries—the total figure to read \$293,043.21. Mr. Gordon seconded the motion. Then Mrs. Henderson moved and Mrs. Stevens seconded an amendment to Mr. Noyes' amendment to Mr. Noyes' amendment to vote on the School Board's recommendation as stated by Mr. Noyes, but to delete any vote regarding teachers' salaries. Mr. Roberts requested a voice vote which was unanimously in the affirmative. The moderator then requested a voice vote on the first amendment—to vote on the School Board budget without voting on line #210. This voice vote was unanimously in the affirmative.

Mr. Roberts asked for a motion on line item #210 so Article IV could be voted on in its entirety. Mr. Willoughby moved and Mr. Barlow seconded the motion that line item 210 in the budget be \$89,000. Mrs. Henderson moved and

Mrs. Biddle seconded the motion that the vote be made by a show of hands. This motion was voted in the affirmative without opposition. Mr. Roberts then called for a show of hands on Mr. Willoughby's motion. The result of the voting was 52 affirmative, 24 opposed. The moderator ruled item 210 had been voted at \$89,000.00

The moderator then read Article IV with the revised figure of \$293,043.21. The voice vote was in the affirmative without opposition. Mr. Beij moved and Mrs. Roberts seconded Article V as follows:

I move the District authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which now or hereafter may be forthcoming from the State of New Hampshire and/or United States.

The voice vote was in the affirmative without opposition.

Mrs. Melanson moved and Mr. Carvelli seconded Article VI as follows:

I move the District will establish a Contingency fund to meet the costs of unanticipated expense which may arise during the year in an amount not to exceed two hundred fifty dollars (\$250.) all in accordance with RSA 198:4-b.

Mr. Brown pointed out that the \$250. was in addition to the money just voted. There was no discussion. The voice vote was in the affirmative without opposition.

Article VII was read by the moderator: To transact any other business that may legally come before this meeting. Mr. Brown voiced appreciation to Mr. Roberts for acting as moderator. There being no other business Mr. Roberts entertained a motion to adjourn. Motion made by Mr. Brown, seconded by Mrs. Henderson.

Respectfully submitted,

GERTRUDE ELSNER, Clerk

Holderness School District

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the town of Holderness qualified to vote in district affairs:

You are hereby notified to meet at the Central School in said district on the 11th day of March 1972, at 7:30 o'clock in the afternoon, to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

2. To hear the reports of Agents, Auditors, Committees or Officers chosen, and pass any vote relating thereto.

3. To choose Agents, Auditors, and Committees in relation to any subject embraced in this warrant.

4. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents and for the payment of statutory obligations of the district.

5. To see if the District will vote to authorize the School Board to make application for and to accept on behalf of the District any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or the United States.

6. To see if the District will establish a Contingency Fund to meet the costs of unanticipated expense which may arise during the year in an amount not to exceed two hundred fifty dollars (\$250.) all in accordance with R.S.A. 198:4-b.

7. To transact any other business that may legally come before this meeting.

Given under our hands at said Holderness this 15th day of February 1972.

SUMMARY OF FINDINGS AND RECOMMENDATIONS

The School Board
 Holderness School District
 Holderness, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Holderness School District for the fiscal year ended June 30, 1971, which was made by this Division. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board, School District Treasurer and School Lunch Program.

FINANCIAL INFORMATION

Comparative Balance Sheets - As of June 30, 1970 and June 30, 1971: (Exhibit A-1)

Comparative balance sheets as of June 30, 1970 and June 30, 1971, are presented in Exhibit A-1. As indicated therein, the Net Debt of the District decreased by \$14,987.18, from \$240,728.84 to \$225,741.66, during the fiscal year ended June 30, 1971.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in the current financial condition of the School District during the fiscal year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decreases in Net Debt:

| | | |
|----------------------------------|-----------|-------------|
| Net Budget Surplus | \$ 258.34 | |
| Long Term Notes Paid During Year | 5,875.00 | |
| Bonds Paid During Year | 20,000.00 | |
| | <hr/> | \$26,133.34 |

Increase in Net Debt:

| | |
|-----------------------------------|-----------|
| Surplus Used To Reduce School Tax | 11,146.16 |
|-----------------------------------|-----------|

Net Decrease

\$14,987.18

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1971, are presented in Exhibits A-3 and A-4. As indicated by the Budget Summary (Exhibit A-4), a net unexpended balance of appropriations of \$191.03, plus a revenue surplus of \$67.31, resulted in a net budget surplus of \$258.34.

TREASURER

Classified Statement of Receipts and Expenditures: (Exhibit B-1)

A classified statement of receipts and expenditures for the fiscal year ended June 30, 1971, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of June 30, 1971, is indicated in Exhibit B-2.

MISCELLANEOUS

School Lunch Program: (Exhibit C)

A statement of the Holderness School Lunch Program Account is presented in Exhibit C.

School Tax Account: (Exhibit D)

A statement of the School Tax Account with the Town of Holderness is included in Exhibit D. As indicated therein, as of June 30, 1971, the School District had received from the Town the total of the 1970-71 School Tax in the amount of \$247,691.50, plus an advance of \$11,307.80 on account of the 1971-72 School Tax.

Long Term Indebtedness: (Exhibit E)

A statement of the outstanding long term indebtedness of the School District as of June 30, 1971, showing annual debt service requirements, is contained in Exhibit E.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of current assets over current liabilities) decreased by \$10,887.82, from \$11,146.16 to \$258.34, during the fiscal year ended June 30, 1971, as shown herewith:

| | June 30, 1970 | June 30, 1971 |
|---------------------|---------------|---------------|
| Current Assets | \$22,522.82 | \$12,095.11 |
| Current Liabilities | 11,376.66 | 11,836.77 |
| Current Surplus | \$11,146.16 | \$ 258.34 |

Conclusion:

The provisions of Chapter 184 of the Laws of 1955 require that the Auditor's summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District. Publication of the Exhibits contained in the audit report is optional, at the discretion of the School Board.

We extend our thanks to the officials of the Holderness School District for their assistance during the course of the audit.

Very truly yours,

Frederick E. Laplante, Director

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

FEL:tfb

October 8, 1971

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Holderness School District for the fiscal year ended June 30, 1971.

Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the Exhibits included herewith present fairly the financial condition of the School District as of June 30, 1971, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

Frederick E. Laplante, Director

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

FEL:tfb

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

The Holderness Central School has gotten off to another good year. What problems we have are minor in nature.

A constant evaluation of the curriculum and the program of studies has been going on. As a result of this, it was discovered that more emphasis needed to be placed on Science. What has resulted has been the McGraw-Hill ESS Science Program. Along with Plymouth State College most Holderness teachers are participating in a project which should upgrade our entire program. This science program is unique in that it places strong emphasis on methods and materials in science teaching and relies very little on textbook approach. For the whole school year teachers of elementary science attend three hours a week of lectures and demonstrations in preparation for full implementation in the school year 1972-1973.

Another new program is that of the school testing. We have adopted a program by Science Research Associates, SRA, which tests achievement as well as mental ability of the children. The tests are scored and analyzed by a computer so individual pupil profiles as well as those of the subject matter area and grade are available. This furnishes the teacher with knowledge of each child so they may be treated on an individual basis. Another area of teacher concern, that of the so-called "under achiever" can be spotted. These pupils who are not working up to capacity can be pin-pointed and thus helped.

One area where most schools in the Supervisory Union are weak is Special Education. The School Boards, teachers and administration generally agree that this is a need of many students. With this in mind, most of the districts in Supervisory Union #48 hope to employ a teacher of Special Education next year. Such a person would diagnose children's problems with actual observation and the use of psychological tests. They would act as a resource person to help coordinate and assist teachers, and at the same time actually work with children. This program is needed and deserves your support.

You may have noticed that Holderness lost part of its anticipated School Building Aid this year. In our case it was not a large sum, yet it all adds up to increased taxes. The School Board has been as prudent as possible in the preparation of the budget and still offer the kind of a learning situation your children should have. If you believe the State should at least meet the aid obligations that are already law, the appropriate persons should be contacted.

The support and cooperation of the School Board and the teachers is appreciated. Please feel free to contact our office at any time if you have questions concerning the education of your children.

Respectfully submitted,
M. WAYNE BOWIE,
Superintendent of Schools

EXPLANATION OF SUPERINTENDENTS' SALARY

Chapter 189, Section 48 Revised Statutes Annotated of the State of New Hampshire, requires that the school district annual report show the total amount paid to the Superintendent and Assistant Superintendent of Schools as per the following quotation: "Reports. Each Superintendent salary paid to the superintendent, showing in detail the amount paid by the State and each local school district, and their share of same. Said report shall be filed with the school board of each school district involved and shall be included in the annual report of the respective school district as a separate entry. A like report and entry shall be made for each assistant superintendent, teacher consultant, and business administrators, if any is in service in the union."

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuations. One-half is prorated on the basis of average daily membership in the school for the previous school year ending June 30th. The salary of \$14,500, which was received by the superintendent of schools of Supervisory Union No. 48 during 1970-1971 was made up as follows: \$2,700 paid by the State of New Hampshire and \$12,000 was prorated among the several School Districts. Allowance for \$1,000 travel within the Union was also prorated as stated above.

The salary of \$12,000 for the assistant superintendent during 1970-1971 was made up as follows: \$2,700 paid by the State of New Hampshire and \$9,300 was prorated among the several School Districts. Allowance for \$1,000 travel within the Union was also prorated as stated above.

The table below shows the portion of salary and travel charged to each school district.

| | Percentage | Superintendent's | | Assistant Superintendent's | |
|-------------------|------------|------------------|------------|----------------------------|------------|
| | | Salary | Travel | Salary | Travel |
| Campton | 15.36 | \$ 1,843.20 | \$ 153.60 | \$ 1,428.48 | \$ 153.60 |
| Holderness | 21.87 | 2,624.40 | 218.70 | 2,033.91 | 218.70 |
| Plymouth | 37.39 | 4,486.80 | 373.90 | 3,477.27 | 373.90 |
| Rumney | 10.42 | 1,250.40 | 104.20 | 969.06 | 104.20 |
| Thornton | 7.41 | 889.20 | 74.10 | 689.13 | 74.10 |
| Waterville Valley | 3.24 | 388.80 | 32.40 | 301.32 | 32.40 |
| Wentworth | 4.31 | 517.20 | 43.10 | 400.83 | 43.10 |
| | 100.00 | \$12,000.00 | \$1,000.00 | \$9,300.00 | \$1,000.00 |

M. Wayne Bowie
Superintendent of Schools

PRINCIPAL'S REPORT

To the School Board, Superintendent of Schools, Parents and Citizens of Holderness:

I respectfully submit my third annual report as Principal of Holderness Central School.

Personnel

| Mr. Steven Scholl | Grade 5 |
| Mrs. Eleanor Spencer | Home Economics |
| Mrs. Saundra Davis | Music |

Nurse

Mrs. Mary Richards, R. N.

Supporting Staff

| | |
|----------------------|----------------|
| Mrs. Frances Currier | Teachers' Aide |
| Mrs. Donna Hill | Secretary |

Food Service

| | |
|---------------------|-----------|
| Mrs. Rose Carvelli | Manager |
| Mrs. Marjorie Hayes | Assistant |
| Mrs. Norma Pike | Assistant |

Janitorial

Mr. Harry Cote

Volunteer Aide

| | |
|-----------------------|---------------|
| Mrs. Patricia Giroux | Clerical |
| Mrs. Ann Noyes | Clerical |
| Mrs. Suzanne Dales | Instructional |
| Mrs. Virginia Page | Instructional |
| Mrs. Elizabeth Mardin | Instructional |
| Mrs. Ki Clough | Instructional |

Schools are under fire across our land. The property tax is buckling under the strain. Racial practices in our urban schools are no longer acceptable. Revelant education remains a challenge. The public is demanding accountability.

Soon New Hampshire citizens must make a choice — either maintain the status quo or provide equally financed education for all students in our state. If the prospects are dismal, the options are even less promising. Education in New Hampshire is at the crossroads and the future holds both hope and frustration.

Against this backdrop of turmoil Holderness Central has been providing its own solutions to its own unique problems. We have felt the belt tightening as have most, but not to the point of curtailing programs or pupil services.

We have in fact moved ahead; adding to a growing list of goals:

- Full implementation of the Gesell testing program for all pre-school children.
- Establishment of a transitional section for those kindergarten children not fully ready to go on to grade one.
- Implementation of an ungraded reading program from grade two through grade eight.
- Establishment of a corrective reading class.
- Initiation of a volunteer aide program.
- Introduction of power mechanics for eighth grade boys.
- Development of a skiing program in conjunction with Tenney Mountain Ski Area.
- Completion of initial work for the implementation of the New Hampshire Department of Educations Minimum Standards and Recommendations for Public Elementary Schools.
- Development of a vocational guidance unit.
- Initiation of our first Adult Education class in sewing.

This list in addition to excellence in the classroom offers testimony to the outstanding team of teachers that presently serve the children of this community.

Although much has been accomplished there is yet much to be done. The magnitude of the task ahead will require the cooperative efforts of other communities within the Supervisory Union. By the Fall of 1972 we hope to fully implement the ESS science program in our schools. The fulfillment of this goal represents just such an effort.

Although our staff has gained much expertise in the area of identifying learning disabilities we hope to accelerate this trend by employing the services of a specialist in this vital area to be supported by Supervisory Union funds.

At the moment the jury is out. May it have the wisdom to decide in favor of the defendant—our children.

Respectfully submitted,

E. HARLAN KING, JR., Principal

REPORT OF SCHOOL DISTRICT TREASURER

for the

Fiscal Year July 1, 1970 to June 30, 1971

SUMMARY

| | | |
|---------------------------------|--------------|--------------|
| Cash on Hand, July 1, 1970 | | \$ 22,493.36 |
